MENURANDUM FOR: Executive Director-Comptroller

SUBJECT

: Status of Proposal for Construction of Additional

MMC Space

1. This memorandum is for information only.

expansion is now in the hands of the Deputy to the DCI for National Intelligence Programs Swakustion. The proposed construction requiring a minimum of two years for completion is now awaiting the results of a study being conducted on htelligence Community photographic interpretation facilities and capabilities. The matter was referred to Mr. Bross for guidance as so time factors and possible interim decisions before completion of the lintelligence Community study.

3. The Director of Planning, Programming, and Budgeting has expressed the belief that funds will not be reade available to support this construction until NPIC's manpower calling uncertainty has been resolved, and he suggests the desirability of considering dual shifts pending final resolution of the problem.
